

**Client:** Sanctuary Homes

**Project Description:** Electrical refurbishment to multiple blocks.

**Project Duration:** 2 months

**Project Value:** £305,000

Alliance House | Image courtesy of Sanctuary Students

**Background:** Full refurbishment of student accommodation within 4 different block across London and 1 block in Brighton. Alliance House, Dinwiddy House, Great Wilkins House, Coopers Court and Lillian Knowles House.

**Brief Description of Works:** Full refurbishment of student accommodation within four different block across London and 1 block in Brighton. Alliance House, Dinwiddy House, Great Wilkins House, Coopers Court and Lillian Knowles House.

**Challenge:** Completing the works within programme spread across multiple sites.

**Technical Solution:** Scheduling the work correctly to have the right amount of labour when needed and material stocked at our wholesalers. Also a higher number of supervisors to cope with distance between sites.

**Added Value:** Worked out of hours on numerous occasions for our original fixed cost.
